

Dear

The 2018/2019 Bright S.T.A.R. Mentor Program is winding down. On behalf of the Brightway staff, it has been our pleasure watching your child grow during this past year. Thanks for all your support. We couldn't have done it without you. A lot of teens choose not to get up on Saturday morning and do something that doesn't have an immediate reward but your's did. To reward their commitment, we have arranged for field trips in June that are fun as well as educational. See attached permission form for details. Admittance fees, travel, and food will be provided at NO CHARGE to you. All they need is personal spending money. As per usual, transportation to Brightway will be provided.

While the mentor program is on summer break, we do offer summer activities open to all students in the 6<sup>th</sup> – 12<sup>th</sup> grades. Your kids are welcome to bring friends too! We provide transportation to Brightway for these events as well. Other events are also in the works and we will update you once those dates are finalized. Current event details are on our website.
